

SEASONED SENTINEL

A MINISTRY OF PINE HILLS CHURCH

| Shepherd's Corner: *Additional Activities*

In response to a number of requests, we will be offering additional activities for our Seasoned Adults. This last quarter we had a number of those additional activities.

One such event was a special trip, tour and lunch at the Kuehnert Dairy's Fall Festival where our group experienced the field to fork (or, in this instance: the utter to butter experience) menu of artisan pizzas, hand dipped ice cream, cheese curds, soft drinks, and flavored milk. Larry Holder was encouraged by his bowl of ice cream, isn't that right, Larry? Makes my mouth water just thinking about those items on the menu made from true, whole milk.

Unlike the days when I grew up on the farm and was taught how to milk cows by hand into a bucket (I kid you NOT), I am told that the Kuehnert family have computerized machines that milk their cows (robotics don't have cold hands).

Other additional events on the docket were the trip to Hamilton Life Center to see the "Legacy Five," a renowned Gospel Quartet, and our annual trip to Shipshewana for lunch and to visit the shops there.

Another opportunity will be this coming December 10th at the Coliseum to be a part of WBCL's 50th anniversary celebration with "A Drummer Boy Christmas" put on by King and Country (see below for first come, first serve tickets).

In order to meet these needs for the more active Seasoned Adults among us, we sought out a volunteer to lead us in this venture of providing additional activities since my focus is on Shepherding and Soul Care.

Kerry Johnson has accepted this opportunity to create and organize these events as well as collaborate with a creative team. As our new Additional Activities Coordinator, she will be the contact person and liaison to the Build Admin to post events through PHC's media avenues and to reserve vans when needed. Kerry has years of experience organizing special events.
